SUMMER READING PLAN

GENESIS

EXODUS

GEN | EX READING PLAN is a daily reading plan to help you engage with the foundational stories of the Bible. Set aside time each day to read the Scriptures for the day. As you read, use the following questions to help you engage with these sacred stories.

1. What's going on in the passage?
2. What encourages/inspires me?
3. What shocks/provokes/offends/messes with me?
4. What does this tell us about the character of God or the nature of Jesus?
5. What am I going to do with what I've read today?
